**RE: Medical Screening Due to COVID-19 Emergency**

Dear Mr. Paternoster:

This letter is to provide you official notice that effective March 18, 2020, in an effort to protect all of our employees and servicemembers and to continue mission readiness, the California Military Department (CMD) is requiring a quick medical screening for anyone requesting entry into any CMD facility across the state.

This screening consists of a few basic questions being asked regarding the employee's current health, and will also consist of taking their temperature.

If you have questions regarding this temporary emergency process, please contact me at (916) 854-3077 or at [Kimberly.a.deane.nfg@mail.mil](mailto:Kimberly.a.deane.nfg@mail.mil).

Sincerely,

A handwritten signature in blue ink that reads "Kimberly Deane". The signature is written in a cursive, flowing style.
