

## Section 2.3 RULES

### Rules of the ACSS Delegate Assembly

It is the prerogative of each Delegate Assembly to adopt the rules to govern its own session of the Delegate Assembly. In order to provide for a continuing policy of rules of the Delegate Assembly, these rules are printed in the Operating Policy and Procedure manual so that the rules are available for study on a continuing basis.

- A. Only members of the Delegate Assembly (hereafter referred to as members), those persons having official assembly duties and other persons authorized by the president shall be permitted on the Delegate Assembly floor.
- B. Members must be present at all sessions of the Delegate Assembly unless excused by the presiding officer. Members must be seated at their designated tables and report to the sergeant-at-arms whenever leaving. Any delegate vacancy should be filled immediately following a negative roll call or after an unexcused absence of two hours or more, provided an alternate is available.
- C. Certification by the Credentials Committee as to the attendance of members at the opening of each session shall constitute the roll call.
- D. Once a quorum is established, that quorum, for the purpose of doing business, continues in existence until adjournment.
- E. The presiding officer shall make a motion establishing the order of business.
- F. Three minutes to speak upon the matter currently before the Delegate Assembly will be allowed each member. No member may be allowed to speak more than twice on a matter currently before the Delegate Assembly and will not be allowed to speak a second time until all other members who have so requested have had an opportunity to speak. Two minutes shall be allotted for the second speech.

#### 1. Resolutions

- A. A Delegate Assembly Resolutions Committee shall consider all resolutions referred to it.
- B. Resolutions may be amended and/or consolidated by the committee.
- C. Committee reports shall be in writing and include recommendations for:
  - I. Adoption in original form;
  - II. Adoption in amended form;
  - III. Adoption as consolidated with one or more resolutions;
  - IV. Referral to the Board of Directors for study and appropriate action;
  - V. Referral to the Board of Directors for study and report to the next Delegate Assembly.
  - VI. Referral to the president for appropriate action;
  - VII. Rejection with reasons.

- D. When a committee has recommended an amendment to a resolved clause, the entire resolved clause as amended shall be presented to the Delegate Assembly in writing before action is taken on the resolution.
- E. When called upon by the presiding officer, the chairperson of the Resolutions Committee shall report the recommendations of the committee to the Delegate Assembly, such recommendations constituting a motion.
  - I. If a motion for adoption is not adopted by the Delegate Assembly, the resolution is rejected.
  - II. If a motion to reject is not adopted by the Delegate Assembly, the resolution continues as a subject before the assembly and must be disposed of by subsequent action of the Delegate Assembly.
  - III. If a motion to amend and adopt is not adopted, then a motion to consider the resolution in its original form is in order; 30 seconds are required.
  - IV. If a motion to refer is not adopted by the Delegate Assembly, the resolution continues as a subject before the assembly and must be disposed of by subsequent action of the Delegate Assembly.
- F. Separate action is not required on resolutions that have been consolidated with other resolutions. However, upon proper motion and 20 seconds, a resolution may be withdrawn and considered separately.
  - I. A motion to accept the committee resolutions in toto is in order if the written committee recommendations have been distributed to the members at least four hours prior to the committee's report.
  - II. Committee recommendations that would change the Bylaws and budget resolutions shall require separate action by the Delegate Assembly.
- G. The final report of Delegate Assembly actions on committee recommendations shall be in written form and must show only the amended resolved clause(s) and the action taken.

## 2. Motions

- A. Only one amendment and one amendment to the amendment may be pending concurrently.
- B. A substitute motion is not in order.
- C. A motion to table is not in order.
- D. A motion to reconsider and enter on the minutes is not in order at anytime.
- E. A motion to reconsider may only be made by a member who voted on the prevailing side; it requires a second, is debatable, and requires a two-thirds vote. If the motion prevails, the motion that resulted in the action which has been reconsidered is restored to the floor. A motion to reconsider would be taken on the resolution. The resolution comes back exactly as it was when it was previously acted upon. It is then open for amendment, adoption or rejection.
- F. A motion to rescind is amendable, debatable, and requires a two-thirds vote.
- G. A member who makes a motion must rise only for that purpose and will be given the first opportunity to speak on the motion.
